----------------------------	-----	----

Certain over-the-counter (OTC) drugs are available for \$4 at Wal-Mart, Sam's Club and Neighborhood Market pharmacies. Prices may be higher in Alaska, Hawaii, and Puerto Rico. Your participation in certain drug and health plans may entitle you to pay even less than \$4 for certain OTC drugs. If you are eligible, you will be charged the lowest applicable amount. Quantities of OTC drugs available for \$4 vary by product. The list of eligible OTC drugs is subject to change. Not all OTC drugs are eligible under this program. Eligible OTC drugs must be picked up in-store. See Walmart.comSM or your pharmacist for more information.
